

Food Drive Logistics for Hosts

Our development team is here to support your food drive and make it as easy and successful as possible. Here are some tips!

- **Donation Bins:** Be prepared with lots of boxes to pack donations. Ask your local supermarket for extras! Contact us if you'd like bins for your food drive.
- **Drop off:** Make a plan to drop off your donation during Ballard Food Bank's opening hours:

- **Receipts:** Need a receipt? No problem. We will weigh your food and can provide you with a receipt.
- **Collections:** Contact us at lenah@ballardfoodbank.org to let us know when you'll drop off your items.
